*Let me Change Your Perspective on ADD!*

### **Do you Struggle in Your Professional Life?**

- Do you wonder how everyone else keeps up with the paperwork and demands of their jobs so much more easily?
- Do you feel like you take more work home than anyone else to keep up with your responsibilities?
- Do you spend countless time on items of lesser importance and fall behind on the things that matter?
- Do you constantly miss deadlines or find yourself stressed and scrambling to meet them at the last minute, knowing the quality of your work is suffering?
- Should your office be condemned as an OSHA safety hazard?
